

## Selection Criteria for AP Test

Department/Program me offering the module	Module for which APCs may be given	Modular Credits	Selection Criteria For Applicants with GCE 'A' Level or equivalent qualifications	
			Selection Criteria For Applicants with GCE 'A' Level or equivalent qualifications	Selection Criteria For Poly Applicants
Chemistry	CM1121	4	An A grade in H2 (or equivalent) Chemistry and Excellent overall results	Excellent overall Polytechnic results and an A grade or better in Analytical/Physical Chemistry and Inorganic/Organic Chemistry modules
	CM1131	4	An A grade in H2 (or equivalent) Chemistry and Excellent overall results	Excellent overall Polytechnic results and an A grade or better in Analytical/Physical Chemistry and Inorganic/Organic Chemistry modules
Life Sciences	LSM1102	4	An A grade in H2 (or equivalent) Biology and Chemistry, and Excellent overall results	Excellent overall Polytechnic results and a "Distinction/A" in relevant subjects
	LSM1401	4	An A grade in H2 (or equivalent) Chemistry and Excellent overall results	Excellent overall Polytechnic results
Mathematics	MA1101R	4	An A grade in H2 (or equivalent) Mathematics or Further Mathematics and Excellent overall results	<i>Only students with GCE 'A' level or equivalent qualifications are eligible</i>
	MA1102R	4	An A grade in H2 (or equivalent) Mathematics or Further Mathematics and Excellent overall results	<i>Only students with GCE 'A' level or equivalent qualifications are eligible</i>
	MA1505	4	An A grade in H2 (or equivalent) Mathematics or Further Mathematics and Excellent overall results	<i>Only students with GCE 'A' level or equivalent qualifications are eligible</i>
Physics	PC1141	4	An A grade in H2 (or equivalent) Physics and Excellent overall results	Excellent overall Polytechnic results and A grade in relevant modules from Electrical, Electronic or Computer Engineering courses.
	PC1142	4	An A grade in H2 (or equivalent) Physics and Excellent overall results	Excellent overall Polytechnic results and A grade in relevant modules from Electrical, Electronic or Computer Engineering courses.
	PC1143	4	An A grade in H2 (or equivalent) Physics and Excellent overall results	Excellent overall Polytechnic results and A grade in relevant modules from Electrical, Electronic or Computer Engineering courses.
	PC1144	4	An A grade in H2 (or equivalent) Physics and Excellent overall results	Excellent overall Polytechnic results and A grade in relevant modules from Electrical, Electronic or Computer Engineering courses.
	PC1431	4	An A grade in H2 (or equivalent) Physics and Excellent overall results	Excellent overall Polytechnic results and A grade in relevant modules from Electrical, Electronic or Computer Engineering courses.
Statistics and Applied Probability	ST1131	4	An A grade in H2 (or equivalent) Mathematics or Further Mathematics and Excellent overall results	<i>Only students with GCE 'A' level or equivalent qualifications are eligible</i>
